

IT'S TIME FOR SUMMER CAMP 2011!!

It has always been the philosophy of Maria Montessori that children's academic progress continues year round. We are very excited to announce our plans for summer camp 2011! The Children's House of Wellington is forming summer book club. The children are invited to join the Tree house Book Club for as few as four weeks to as many as nine, depending on family commitments.

We have chosen eight of our very favorite authors: Leo Lionni, Clare Beaton, Donald Cruise, Denise Fleming, Lois Ehlert, Eric Carter, Ezra Jack Keats and Grace Lynn we will be highlighting one author each week. There are also plans to include works of non-fiction and fables. The books have been chosen very carefully to allow us to build a day full of fun around the story. There will be lots of art, math, rhyming, science, phonics, games, songs and food! Our non-fiction books will help us learn about the world around us, how things work and the people in our community. The children will also hear about the author at the beginning of the week and how they got started writing books for children with hope that this may spark an interest in some of our great story tellers!

Friday afternoons will be Look and Cook Recipe Time. We will make special treats by following directions.

We are pleased to announce that Miss Carolina will be with us for two weeks of July for special Spanish focus. Book Club will continue and Miss Carolina will add group and individual Spanish lessons.

The Tree house Book Club will be meeting in two-week intervals this summer beginning in June. ***You must choose a minimum of 2 sessions; however, if you choose 3 or more we are waiving Registration Fee for Augusts' 2011-2012.***
